

Mensagem do Presidente

É com imensa alegria que apresentamos a nova coleção K-LIGHTING juntamente com os designs icónicos de sempre, neste, que é o ano em que a nossa empresa celebra o seu trigésimo aniversário.

Também um ano desafiante a nível global e num momento tão frágil a que todo o mundo assiste e se encontra envolvido, em que se faz necessário não parar e acreditar no progresso e num mundo melhor.

Confiamos no trabalho desenvolvido ao longo dos anos, na nossa equipa que muito nos orgulha, e nos nossos parceiros. Por isso e apesar dos constrangimentos da conjuntura atual inauguramos este ano uma nova unidade fabril com mais de 1000m² de forma a capacitar ainda mais a nossa produção nacional.

Um bem-haja a todos os clientes que nos acompanham e impulsionam o crescimento da nossa marca.

Somos feitos de pessoas e para pessoas.

Message from the President

It is with great joy that we introduce the new K-LIGHTING collection along with the usual iconic designs, in this, which is the year our company celebrates its 30th anniversary.

This year has been a challenging year on a global level and at such a fragile moment that the whole world is watching and being involved in, it is necessary to never stop, and believe in progress and a better world.

We trust in the work that was developed over the years, in our team that we are very proud of, and in our partners. For this reason and despite the constraints of the current situation, this year we inaugurated a new factory unit with more than 1000m², in order to further enhance our national production.

We thank all customers who accompany us and boost the growth of our brand.

We are made of people and for people.
